

The Chapel Family Bible Reading Program – November 3 - 8
Doing Life Together – New Day ... Forward

MONDAY:

KEY VERSE: Romans 12:2

OBSERVATION: Do you have any evidence to show you are growing in your faith and as a Christian? The Bible tells us God wants Christians to get serious about living for him. God cares for you and helps you become a new person. The Bible says, “Be transformed by the renewal of your mind, that by testing you may discern what is the will of God, what is good and acceptable and perfect” (Romans 12:2). He brings about a noticeable difference.

TUESDAY:

KEY VERSE: John 3:16

OBSERVATION: Love God and long for him. Guard your heart. If you find you’re having difficulty growing in your faith, join a group of people who desire to live for Christ and to grow closer to him. Get under the discipline of a pastor and Bible teacher. Pursue what God’s call is for you in your life. With all diligence keep your heart clean. Worship God. God inhabits the praises of his people. Nurture your relationship with God, feeling his love and presence. You can experience the kingdom of heaven on earth. Pursue holiness.

WEDNESDAY:

KEY VERSE: John 10:27

OBSERVATION: He is the Good Shepherd. He knows his sheep and his sheep know him. His sheep hear his voice (John 10:27). Jesus said, “This is eternal life that you might have experiential knowledge of me” (John 17:3). Walking the straight path, you have a mind and heart for God. God can use you, with your unique and original background and gifts. Delight in his blessings and peace, walking in his presence.

THURSDAY:

KEY VERSE: 1 Corinthians 3:9

OBSERVATION: Your time on earth is a gift from God. Use this time to serve him. He uses your gifts for his glory. “We are laborers together with him” (1 Corinthians 3:9). Many Christians don’t realize they are in a spiritual battle. Stand prepared and ready. Use the Word of God as a sword and as a weapon against what enemy says. Use the armor that God has given you. Fear has no hold on you since you live in the presence of God.

FRIDAY:

KEY VERSE: Nehemiah 8:10

OBSERVATION: At times you may feel fatigue, fear, or failure. When these times hit you, take the time to rest in him. Choose to rest, where he can renew and recharge. Look back to the times when God showed you he is good, kind, and faithful. Use those times as memory stones or markers in your life. See once again that you have a great God. He is a place of refuge for his people.

SATURDAY:

KEY VERSE: James 5

OBSERVATION: In Chapter 5 James lists several things that often get out of order and thereby hold us back from moving forward. If we allow money, personal grudges or illness to become more important than the priorities that God has established in our lives we will truly be doomed to sadness and misery on this earth. Relationship with God, First. Relationship with our Spouse, second. Relationship with our kids, third. These are our priorities followed up by ministry and profession in fourth and fifth place.
